

Summit provides best-in-class managed services for managed care companies—supercharging the mission of our partners with local, practical, and impactful solutions.

EXCEPTIONAL PEOPLE

Our team is made up of fast learners, collaborative thinkers, and decisive doers. With the right skills in the right roles, we're aligned with Summit's values and vision to consistently deliver what we call *The Summit Experience*.

MANAGED SOLUTIONS THAT DELIVER

Summit's managed solutions create lasting, measurable impact for healthcare payers. We manage the full program lifecycle—with strategy, execution, and continuous optimization—and bring deep health plan and industry expertise to all engagements.

BUILT FOR PARTNER FLEXIBILITY

Our partner-first mindset empowers us to adapt—whether you're mid-contract, scaling quickly, or facing evolving business needs. With expertise across consulting, program delivery, and staffing, we deliver the right support exactly when it's needed most.

At the heart of our work is a commitment to driving meaningful, measurable results for our partners – not just once, but over time. Through a focus on continuous improvement and data-driven strategies, we help our partners build lasting impact. Our approach ensures that progress isn't a one-time achievement, but a sustained outcome that evolves, strengthens, and endures.

Services Offered

Program Management Office

We bring a track record of success in managing large scale implementation and locally designed programs, ensuring that they are structured to deliver value and meet your unique business objectives.

Marketing Operations & Growth Strategy

We employ data-driven insights and innovative marketing techniques for effective engagement – ultimately enhancing program participation, recognition, and impact.

Member and Clinical Quality Programs

We garner strategic relationships for innovative pilots that include performance evaluation to define future product development and implementation of internal workflows.

Strategic Sourcing

Our approach to strategic sourcing includes vendor management that facilitates direct feedback and collaboration to reduce costs and improve quality and reliability.

Financial Optimization & Payments

Our team's analysis guides strategic decisions for operational programs, value-based contracts and partner agreements that result in financial optimization for healthcare.

Flexible Contract Agreements

PERFORMANCE BASED

We align compensation with outcomes and are willing to share in both the risks and rewards. Our team is committed to delivering value and getting results.

FIXED-FEE ENGAGEMENT

Predictable price covers each Managed Solution, with no surprises. A set cost for a defined scope and duration—offering budget clarity and execution you can count on.

FLEXIBLE RESOURCE MODEL

Pay only for the time and expertise you need, based on clearly defined hourly rates by role. This model offers adaptability for evolving priorities, while giving you access to skilled professionals when you need them.
